Story Background

Yifei's grandfather
has a special magic ball,
Yifei is really curious about it.
On his birthday,
his grandfather tells him
what is in the magic ball,
which is a story in it.

A story is about grandfather talking to his grandson a story.

A story is about grandfather talking to his grandson a story.

A story is about grandfather talking to his grandson a story.

A story is about grandfather talking to his grandson a story.

There are always grandfather talking to his grandson a story.
