

Return Back

Wu Naduo

Story Background:

The black-and-white boy, Yifei, who lives in his own world and is incompatible with everyone, so he has become the object of ridicule and ridicule on the black screen. He sat alone in the corner crying, and his tears turned into a huge magic ball. The scene of his childhood appeared in the magic ball, and he was sucked in. In an art class when I was a child, the pictures in the textbook made Yifei fantasize when I was a child, which indirectly affected other students in class. Later, when he grew up, Yifei found the childhood Yifei in his dream, woke him up and brought him back to reality. Finally, he could listen carefully in class without affecting his classmates. Finally, he turned into color, walked out of the ball and found that everything around him was shining.

Key words: fantasy, magic ball, self reflection, problem solving
